# How to Add Lynda.com Content to your CampusConnect Course

*Course developers should NOT use this method, as Lynda.com courses added in this way will NOT copy from course to course. Use these instructions to add content directly to your own course sections.*

<tbody>
<tr>
<td>1.</td>
<td>Access your course and click on the <strong>Content</strong> link in the course menu.</td>
</tr>
<tr>
<td>2.</td>
<td>Click on <strong>Build Content</strong> and select: <strong>Lynda.com Course</strong></td>
</tr>
</tbody>
</table>
| 3.   | Hover your mouse over any of the suggested videos to either **Add** or **Preview** the content. Suggested content is based on the course name.  
   a. Preview the content before you add it by clicking on the **Preview** button.  
   b. Search the Lynda.com library for a specific topic by typing in the search box and then clicking **Search**.  
   c. **Browse** the library by clicking any of the icons in the **Browse** box on the right. |
4. Once you click Preview or +Add you will see this screen if you have not yet accessed Lynda.com

5. You will be prompted to log in. Use the following information:
   **Username:** Your full campus email address
   **Password:** Same password as CampusConnect

6. Click Sign In.

7. If this is your first time accessing Lynda.Com you will see this screen.
   **Select:** “No, I’ve never had an account”
   **Note:** Once you do this, you shouldn’t ever see this screen again.
8. You will now be able to access the content and you will notice your first name in the upper right hand corner designating the auto account creation a success.

9. To proceed with adding content click the **Add** button if you did not do so during step #3.

10. Click the blue **Save** button.

11. The Lynda.com item will show up at the bottom of the content page you add it to; you can then reorder the items or drag/drop it to the location you would like it.
